

Broncos, register to vote where you live!

The deadline is Oct. 9th.

SOME TIPS:

Register at the address you will be living at on Election Day, Tues., Nov. 6 – that usually means your current student address! If you live on or near campus on Election Day you simply vote in the Bernhard Center.

Provide your phone number.

If there is anything wrong with your registration you can be contacted.

Use pen. Don't forget to sign.

Driver's license or social security number are good to have but not required.

REMEMBER:

Vote in Kalamazoo, not absentee. You cannot vote absentee in your hometown unless you have registered in person or voted in person in your home district in a prior election. Then the absentee ballot must be requested in advance and mailed back to the right place on time. Instead, register now at your current address in Kalamazoo.

Financial aid and insurance are good to go. There is no impact on financial aid, insurance, or taxes when you registering to vote in Kalamazoo.

Register by Oct. 9th to participate in the general election Nov. 6th.

Once your registration form is processed, you will receive a note in the mail with your polling place and an address sticker for the back of your driver's license. All you will need to vote is a picture ID: either a driver's license or student ID card. *Check your registration at MI.gov/vote.*
